### Sample Models Methodology

Investments were chosen from all 44 investment options within the MoneyGuard Market Advantage® menu based on their assigned Morningstar category and selection process described below.

Leveraging existing LIAC multi-asset funds' composite benchmarks as guides for designing the models' asset allocation with 10 years or more of historical track record.

The selection is further based on the combination of fund performance, risk/return profile and expenses.

Lincoln Financial Group® affiliates, their distributors, and their respective employees, representatives, and/or insurance agents do not provide tax, accounting, or legal advice. Please consult an independent professional as to any tax, accounting, or legal statements made herein.
